

demand bold theatre

Dedicated to new works as well as established works that have slipped through the cracks of the mainstream, taxdeductible theatre exists as a home for the uniquely theatrical. We aim to provide our community of theatre artists and our audience with a viable alternative to commercial theatre.

[www.taxdeductibletheatre.org](http://www.taxdeductibletheatre.org)

taxdeductible theatre is a fully recognized 501(c)3 not-for-profit organization. All donations to taxdeductible theatre are, well... tax deductible.

Actors' Equity Association (AEA), founded in 1913, is the labor union that represents more than 45,000 Actors and Stage Managers in the United States. Equity seeks to advance, promote and foster the art of live theatre as an essential component of our society. Equity negotiates wages and working conditions and provides a wide range of benefits, including health and pension plans, for its members. Actors' Equity is a member of the AFL-CIO, and is affiliated with FIA, an international organization of performing arts unions. The Equity emblem is our mark of excellence. # The DARE Project

new ten-minute plays  
written on a dare

An Actors' Equity Approved Showcase

The Wings Theatre  
April 2, 2008

Each of tonight's writers was dared by a member of the audience to write a 10-minute play.  
They had four weeks to write.  
Then they had four weeks to rehearse.  
Tonight we proudly present the resulting plays.

### *Ibs in Space*

**Christopher Catalano** (writer) This is his third *Dare Project* as a writer and 424th an actor. For a brief period in the 80's Chris wanted to be Weird Al Yankovic. He enjoys apple jelly, which does exist, and is a fan of indoor plumbing. According to girls he is, "Funnier and cuter than Justin Long." Find out more at [www.christophercatalano.com](http://www.christophercatalano.com)

**Joe Ardizzone** (Gleep) is a singer and actor of astonishing beauty. Joe can be seen plying his trade at piano bars around the city. Joe has done many *Dare Projects*.

**Wendy Bagger** (Tchk-Ftang) holds an MFA from the Ohio State University. This is her first appearance with taxdeductible. Wendy has performed in Florida at American Stage, Florida Studio Theatre and the Banyan Theatre, and in St. Louis with St. Louis Shakespeare and (no joke) Shakespeare Festival of St. Louis. She is thrilled for this opportunity to play her dream role of Mama in *Raisin In The Sun*. That is what we're doing right? Wait, what?!

**Ross Boehringer** (sometimes known as Ross Raines, Archie) has previously appeared in *The Dare Project* in *Sexy Time at the Holocaust: a Morality Play*, and *Neutrogena*, he also wrote *Family Values*. Ross is a graduate of the FSU/Asolo Conservatory and Emporia State Univ.

**Greg Cicchino** (director) has no idea what kind of crackpot organization, after mistakenly asking him to direct a show, would then ask him to come to direct another—and then another! Frankly this frightens him. He previously directed Bryn Boice's *Sculpther* and John Keitel's *Walls* for *The Dare Project*. Check out his company's myspace page [myspace.com/btwproductions](http://myspace.com/btwproductions) for more details.

### *I Bet You Think This Play is About You*

**Kelly Howe** (writer) likes to write plays. You can read some of them in the *Dare Project 2007* book for sale in the lobby. Thanks to all you cool cats for coming, also thanks to all her friends on MySpace and facebook for their endless support and poking.

**Kelly Wallace** (Jane Doe) is thrilled to be on the other side of the *Dare Project* curtain! Recent appearances include a leading role in the independent feature film *Mother May I*, a lo-fi entertainment production directed by Lee Sobel, and a role in the webisode pilot *Psicon*, a Diversion Media production directed by Chris Bernier.
